for Phone

Download and Installation Guide

Join a class, follow the lesson and answer, all from your phone.

What you need

No app to install. Ai Smart Board works in the browser of any phone.

1

iPhone or Android

Safari, Chrome or any modern browser.

2

The course link

Your teacher sends it on WhatsApp, or shows a QR code.

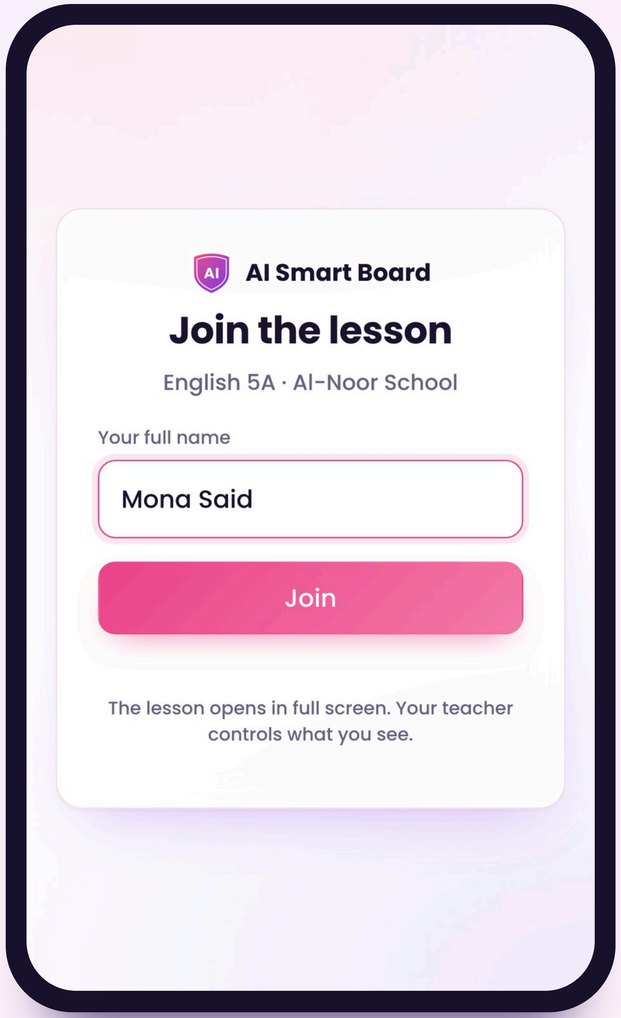

3

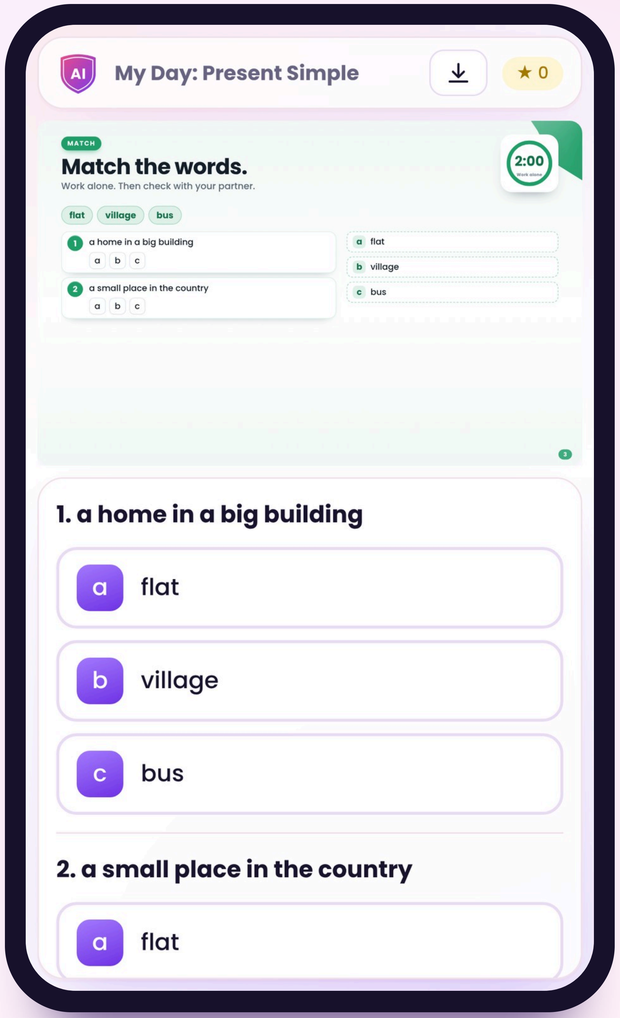

Internet

Wi Fi or mobile data.

1 Students: join the class

1. Open the **link** from your teacher, or scan the **QR code** with the camera.
2. Write your **full name** and tap **Join**.
3. Follow the lesson on your screen and **answer** the questions. Your answers go to your teacher at once.

2 Teachers: control your class from your phone

1. On your computer, open **Teacher link** at the top of the dashboard and switch it on.

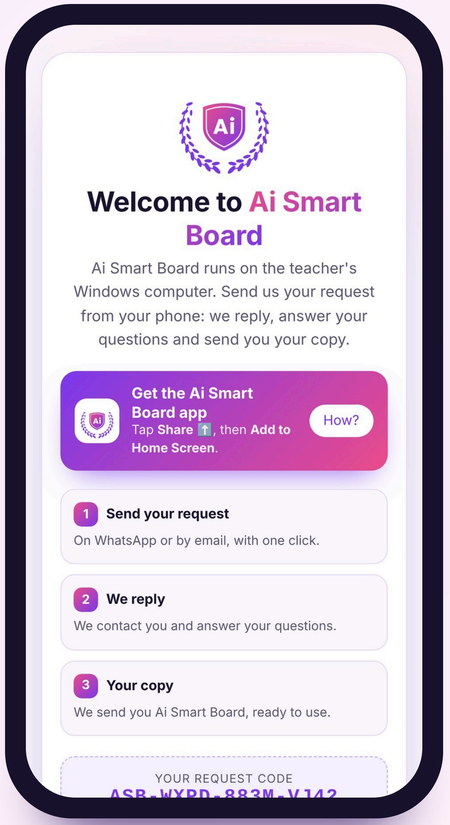

2. Send the private link to **your own phone**. Never send it to students.

3. Open it on your phone: change slides, show answers and control the class from anywhere in the room.

Private: your teacher link is only for you. You can switch it off or make a new one at any time.

3 Add Ai Smart Board to your home screen

1. Open our website on your phone and tap **Get the app**.
2. **Android:** tap **Install**. **iPhone:** tap **Share**, then **Add to Home Screen**.
3. Open it from your home screen to send us your request in one tap.
